CASE SUMMARY

Claimant asserted the following causes of action: defamation; wrongful termination; and expungement. The causes of action relate to the alleged defamatory nature of the reasons for termination placed by Respondent on Claimant’s Central Registration Depository (“CRD”) Form U5, as they relate to: 1) disclosure of Claimant’s outside securities account to Respondent; 2) an alleged customer’s (“Customer”) complaint (“the Letter”); and 3) information entered by Claimant on a mutual fund application.

Unless specifically admitted in the Statement of Answer, Respondent denied having any knowledge over the allegations made in the Statement of Claim and asserted various affirmative defenses.

RELIEF REQUESTED

In the Statement of Claim, Claimant requested: an award granting expungement of the Form U5 from Claimant's CRD record with specific reference to expungement occurring on the basis that the statements are defamatory in nature or, alternatively, an amendment to the Claimant's CRD record; an award of damages in the amount of \$1.00 for Respondent's part in contributing to Claimant's injury and any other damages the Arbitrator deemed just and proper in light of the circumstances and Respondent's ability to pay damages; and, any such other relief as the Arbitrator deemed just and proper.

In the Statement of Answer, Respondent did not delineate any specific relief request.

OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges that he has read the pleadings and other materials filed by the parties.

Respondent did not file with FINRA Office of Dispute Resolution a properly executed Submission Agreement but is required to submit to arbitration pursuant to the Code of Arbitration Procedure ("Code") and, having answered the claim, is bound by the determination of the Arbitrator on all issues submitted.

Respondent MFS did not appear at the evidentiary hearing. Upon review of the file and the representations made by/on behalf of the Claimant, the Arbitrator determined that Respondent MFS has been properly served with the Statement of Claim and received due notice of the hearing, and that arbitration of the matter would proceed without said Respondent present, in accordance with the Code.

The Arbitrator conducted a recorded in-person hearing on August 23, 2017, so the parties could present oral argument and evidence on Claimant's request for expungement. Respondent did not participate in the expungement hearing.

In recommending expungement the Arbitrator reviewed and/or relied upon the following documentary or other evidence: Claimant's BrokerCheck® Report; the Letter from the Customer to Respondent MFS; and Claimant's written disclosure allegedly ignored by Respondent.

The Arbitrator noted that Claimant did not previously file a claim requesting expungement of the same disclosure in the CRD.

The Arbitrator has provided an explanation of their decision in this award. The explanation is for the information of the parties only and is not precedential in nature.

AWARD

After considering the pleadings, the testimony and evidence presented at the recorded

in-person hearing, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. The Panel recommends the expungement of the Reason for Termination Explanation from the Form U5 filed by Midamerica Financial Services on June 10, 2015 for Claimant [REDACTED] (CRD# [REDACTED]) and maintained by the Central Registration Depository (CRD). The Panel recommends that the Reason for Termination be changed to "Voluntary" and the Termination Explanation appear blank.

In addition, the Panel recommends that the answer to Question 7F(1) be changed from Yes to No and the accompanying Termination Disclosure Reporting Page be deleted in its entirety.

The above recommendations are based on the defamatory nature of the information and shall apply to all subsequent disclosures concerning this event, including but not limited to, the Amended Form U4 filed by Supreme Alliance LLC on August 17, 2015.

The Form U5 is not automatically amended to include the changes indicated above. Claimant must forward a copy of this Award to FINRA's Registration and Disclosure Department for review.

The Arbitrator has made the above finding based on the following reasons:

The claim, allegation, or information is false. The allegations made by Respondent on Claimant's Form U5 were knowingly false at a time when Respondent was being investigated by FINRA and may have been made to conceal wrongdoing by Respondent

2. Claimant's request for an award of compensatory damages in the amount of \$1.00 is denied.

3. Any and all claims for relief not specifically addressed herein are denied.
