Nature of the Dispute: Associated Person vs. Member

REPRESENTATION OF PARTIES

For Claimant ██████████: Michael Bessette, Esq., AdvisorLaw LLC, Broomfield, Colorado.

CASE INFORMATION

Statement of Claim filed on or about: January 24, 2018.

Claimant signed the Submission Agreement: January 24, 2018.

Respondent did not submit a Statement of Answer or sign the Submission Agreement.

CASE SUMMARY

Claimant asserted the following cause of action: expungement.

RELIEF REQUESTED

In the Statement of Claim, Claimant requested expungement of customer complaints from his CRD records, compensatory damages of \$1.00, and any and all other relief as deemed just and equitable.

OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges that she has read the pleadings and other materials filed by the parties.

Respondent did not file with FINRA Office of Dispute Resolution a Statement of Answer or properly executed Submission Agreement but is required to submit to arbitration pursuant to the Code of Arbitration Procedure ("Code") and is bound by the determination of the Arbitrator on all issues submitted.

The Arbitrator conducted a recorded telephonic hearing on October 19, 2018 so that the parties could present oral argument and evidence on Claimant's request for expungement.

Respondent did not participate in the expungement hearing and did not contest the request for expungement.

Respondent did not appear at the evidentiary hearing. Upon review of the file and the representations made on behalf of the Claimant, the Arbitrator determined that Respondent has been properly served with the Statement of Claim and received due notice of the hearing, and that arbitration of the matter would proceed without said Respondent present, in accordance with the Code.

Claimant made best efforts to locate the customer in the underlying complaint for Occurrence Number [REDACTED] but was unable to locate any contact for the customer due to the age of the complaint. The customer was therefore not provided a copy of the Statement of Claim and did not participate in the expungement hearing.

On September 19, 2018, Claimant notified the customers in the underlying complaints for Occurrence Numbers [REDACTED] and [REDACTED] of his request for expungement and of their right to participate in the expungement hearing and also provided the customers with a copy of the Statement of Claim.

The customers in the underlying complaints for Occurrence Numbers [REDACTED] and [REDACTED] did not participate in the expungement hearing and did not oppose Claimant's expungement request.

The Arbitrator finds that the customers for Occurrence Numbers [REDACTED] and [REDACTED] do not desire to participate in the expungement hearing and that a decision on the merits of Claimant's request can be entered.

The Arbitrator reviewed Claimant's BrokerCheck® Report and noted that Claimant did not previously file claims requesting expungement of the same disclosures in the CRD.

In recommending expungement, the Arbitrator relied upon the following documentary or other evidence: the pleadings, Claimant's testimony, and the exhibits.

AWARD

After considering the pleadings, the testimony and evidence presented at the hearing, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. The Arbitrator recommends the expungement of all references to Occurrence Number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for Claimant [REDACTED] (CRD # [REDACTED]) with the understanding that, pursuant to Notice to Members 04-16, Claimant [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative finding of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

As to the allegation of unauthorized trading made by the customer, Claimant's explanation that the customer reneged within three days of purchase because of a decline in the price of GMAC bonds is credible, compelling, and consistent with his timely response to the allegation in 2005.

2. The Arbitrator recommends the expungement of all references to Occurrence Number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for Claimant [REDACTED] (CRD # [REDACTED]), with the understanding that, pursuant to Notice to Members 04-16, Claimant [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative finding of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

As to the allegation of misrepresentation made by the customer, the Arbitrator finds Claimant's explanation to be logical, credible and consistent with his timely response to the allegation in 2007: that he never guaranteed a target price to the client but that there may have been a miscommunication as to what would happen within 10 days of the purchase of the stock in question.

3. Claimant's request for expungement of Occurrence Number [REDACTED] is denied.
4. Any and all claims for relief not specifically addressed herein, including compensatory damages, are denied.
