RELIEF REQUESTED

In the Statement of Claim, Claimant requested:

1. Expungement of the occurrences from his CRD record pursuant to FINRA Rule 2080(b)(1)(A), as the claim, allegation, or information is factually impossible or clearly erroneous.
2. Expungement of the occurrences from his CRD record pursuant to FINRA Rule 2080(b)(1)(C), as the claim, allegation, or information is false.

3. An award of damages in the amount of \$1.00 from the Respondent.
4. Any and all other relief that the Arbitrator deems just and equitable.

OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges that he has read the pleadings and other materials filed by the parties.

The Arbitrator conducted a recorded telephonic hearing on November 19, 2018 so the parties could present oral argument and evidence on [REDACTED] request for expungement.

Respondent participated in the expungement hearing and did not contest the request for expungement.

On October 29, 2018 and November 19, 2018 Claimant provided FINRA Office of Dispute Resolution with proof that he notified the customers in the underlying complaint of the expungement request and of their right to participate and testify at the expungement hearing and included a copy of the Statement of Claim with the notice. In addition Claimant provided proof that the customer for Occurrence number [REDACTED] is deceased.

The customer did not participate in the expungement hearing and did not contest the request for expungement.

The Arbitrator noted that [REDACTED] did not previously file a claim requesting expungement of the same disclosure in the CRD.

The Arbitrator did not review the settlement document for Occurrence # [REDACTED]. The Claimant was unable to provide the settlement agreement, but from the Claimant's and Respondent's testimony, including the consent of the attorney for the Respondent in favor of expungement, the Arbitrator noted that Claimant did not contribute to the settlement and that the settlement was not conditioned on the customer not opposing the request for expungement.

In recommending expungement the Arbitrator relied upon the following documentary or other evidence: the pleadings, Claimant's BrokerCheck® Report and Claimant's testimony.

AWARD

After considering the pleadings, the testimony and evidence presented at the hearing, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. Claimant's request for compensatory damages is denied.
2. The Arbitrator recommends the expungement of all references to Occurrence Number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for Claimant [REDACTED] (CRD# [REDACTED]),

with the understanding that, pursuant to Notice to Members 04-16, Claimant [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative finding of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

The mutual funds proposed to the customers were thoroughly explained and they agreed to invest in them. After a short period of time (less than 1 year), the customers mother began calling the Claimant to say that the customers needed the sum invested for taxes. Finally, the customers directed the sale of the mutual funds, incurring penalties and counsel fees. There had been a general market decline at the time the liquidation was directed which, together with the penalties for early withdrawal, caused the bulk of the loss. [REDACTED] testimony on this matter was comprehensive and convincing.

3. The Arbitrator recommends the expungement of all references to Occurrence Number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for Claimant [REDACTED] (CRD# [REDACTED]) with the understanding that, pursuant to Notice to Members 04-16, Claimant [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative findings of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

The customer bought a stock based on advice from a friend. The firm did not follow that stock and made no recommendation. The customer sold the stock on her own initiative, at a time when the market had dropped significantly. [REDACTED] gave no advice to the customer and she maintained her account even after incurring the loss and making her claim.

4. Any and all claims for relief not specifically addressed herein are denied.
