OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges that he has read the pleadings and other materials filed by the parties.

Claimant filed an Amended Statement of Claim in which Claimant replaced Brecek & Young Advisors, Inc. with Securities America, Inc. (f/k/a Brecek & Young Advisors, Inc.) as a Respondent in this matter.

On or about October 4, 2018, Claimant filed with FINRA Office of Dispute Resolution proof of service of the Statement of Claim upon the underlying customers together with notice of the date and time of the hearing and of their right to participate therein.

On or about October 15, 2018, Claimant filed with FINRA Office of Dispute Resolution an Affidavit regarding service of the Statement of Claim upon the underlying customers.

The Arbitrator conducted a recorded telephonic hearing on November 29, 2018, so the parties could present oral argument and evidence on Claimant's request for expungement.

Respondents Valic and SA participated in the expungement hearing. Respondent Valic stated that it did not take a position on the expungement request and Respondent SA stated that it did not oppose it.

The underlying customers did not participate in the expungement hearing.

The Arbitrator reviewed the BrokerCheck® Report for Claimant and the settlement documents, considered the amount of payments made to any party, and considered other relevant terms and conditions of the settlement. The Arbitrator noted that the settlement was not conditioned on the customers not opposing the request for expungement. The Arbitrator also noted that Claimant did not contribute to the settlement amount.

The Arbitrator noted that Claimant did not previously file a claim requesting expungement of the same disclosure in the CRD.

In recommending expungement, the Arbitrator relied upon the following documentary or other evidence: Claimant's Amended Statement of Claim and testimony.

AWARD

After considering the pleadings, the testimony and evidence presented at the hearing, and the post-hearing submissions (if any), the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. The Arbitrator recommends the expungement of all references to Occurrence Nos. [REDACTED] and [REDACTED] from registration records maintained by the CRD for Claimant (CRD# [REDACTED]), with the understanding that, pursuant to Notice to Members 04-16, Claimant must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code of Arbitration Procedure (the "Code"), the Arbitrator has made the following Rule 2080 affirmative findings of fact:

With respect to Occurrence No. [REDACTED]

The registered person was not involved in the alleged investment-related sales practice violation, forgery, theft, misappropriation, or conversion of funds.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

Claimant was not involved with the customer's failure to file 5500 tax forms, which was to have been done by the customer.

With respect to Occurrence No. [REDACTED]

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reason:

The dispute was caused by fraudulent activities perpetrated by corporate officers of DBSI, independent of Claimant.

2. Any and all claims for relief not specifically addressed herein are denied.
