### AWARD

After considering the pleadings, the testimony and evidence presented at the hearing, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. The Arbitrator recommends the expungement of all references to occurrence number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for Claimant [REDACTED] (CRD# [REDACTED]), with the understanding that, pursuant to Notice to Members 04-16, Claimant [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative finding of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

A customer of the Claimant suffered financial losses during the 2002 dot.com crash. The customer contacted Respondent to advise that he believed he was a victim of unsuitability in securities selection, and by unauthorized, excessive trading carried out by the Claimant. Claimant responded to the Respondent that all trading was unsolicited, both as to type and frequency, and under exclusive control of the customer.
