OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges that he has read the pleadings and other materials filed by the parties.

The Arbitrator conducted a recorded telephonic hearing on December 7, 2018 so the parties could present oral argument and evidence on [REDACTED] request for expungement.

Claimant provided proof that he notified the customer in the underlying complaint of the expungement request and of the customer's right to participate and testify at the expungement hearing and included a copy of the Statement of Claim with the notice.

The customer did not participate in the expungement hearing and did not contest the request for expungement.

The Arbitrator reviewed the BrokerCheck® Report for [REDACTED].

The Arbitrator noted that [REDACTED] did not previously file a claim requesting expungement of the same disclosure in the CRD.

In recommending expungement the Arbitrator relied upon the following documentary or other evidence: the pleadings, exhibits and the investigation by LPL Financial which cleared [REDACTED]

AWARD

After considering the pleadings, the testimony and evidence presented at the hearing, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. Claimant's request for \$1.00 in compensatory damages is denied.
2. The Arbitrator recommends the expungement of all references to Occurrence # [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for Claimant [REDACTED] (CRD# [REDACTED]), with the understanding that, pursuant to Notice to Members 04-16, Claimant [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative finding of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

Claimant testified credibly that he explained to the customers how preferred stock might be utilized to increase their monthly withdrawal. The customer agreed. As the market declined, the preferred stock investment declined. Any losses were due to market fluctuation, not the actions of the broker. After two months, the customers became nervous and moved the account.

3. Any and all claims for relief not specifically addressed herein are denied.
