RELIEF REQUESTED

- information is factually impossible or clearly erroneous;

In the Statement of Answer, Respondent did not oppose Claimant's request for expungement, but objected to Claimant's request for compensatory damages.

OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges that he has read the pleadings and other materials filed by the parties.

Claimant provided FINRA Office of Dispute Resolution with proof that he notified the customers related to occurrence numbers [REDACTED] and [REDACTED] of the expungement request and of their right to participate and testify at the expungement hearing and included a copy of the Statement of Claim with the notice.

The Arbitrator conducted a recorded telephonic expungement hearing on December 3, 2018 so the parties could present oral argument and evidence on Claimant's request for expungement.

At the hearing, Claimant withdrew his request for compensatory damages.

The customer did not participate in the expungement hearing and did not contest the request for expungement.

Respondent participated in the expungement hearing, but did not contest the request for expungement.

The Arbitrator reviewed the BrokerCheck® Report for [REDACTED] and the settlement documents related to occurrence numbers [REDACTED] and [REDACTED], considered the amount of payments made to the customers, and considered other relevant terms and conditions of the settlements. The Arbitrator noted that the settlements were not conditioned on the customers not opposing the request for expungement. The Arbitrator also noted that [REDACTED] did not contribute to the settlement amounts.

In recommending expungement, the Arbitrator relied upon the following documentary or other evidence: Claimant's Statement of Claim, Respondent's Statement of Answer, [REDACTED] BrokerCheck® Report, the settlement agreements related to occurrence numbers [REDACTED] and [REDACTED], and the testimony and evidence presented at the telephonic expungement hearing.

The Arbitrator noted that [REDACTED] not previously file a claim requesting expungement of the same disclosure in the CRD.

The parties present at the hearing have agreed that the Award in this matter may be executed in counterpart copies or that a handwritten, signed Award may be entered.

AWARD

After considering the pleadings, the testimony and evidence presented at the hearing, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. The Arbitrator recommends the expungement of all references to occurrence number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for [REDACTED] (CRD# [REDACTED]), with the understanding that, pursuant to Notice to Members 04-16, [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative findings of fact:

The registered person was not involved in the alleged investment-related sales practice violation, forgery, theft, misappropriation, or conversion of funds.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

Mr. [REDACTED] was not involved in the alleged investment decision. As stated in the Statement of Claim and testified by the Claimant at the hearing, all investment recommendations and decisions took place between the customer and a Certified Financial Advisor on Mr. [REDACTED] team. Mr. [REDACTED] was not involved in the recommendations and decisions.

2. The Arbitrator recommends the expungement of all references to occurrence number [REDACTED] from registration records maintained by the Central Registration Depository ("CRD"), for [REDACTED] (CRD# [REDACTED]), with the understanding that, pursuant to Notice to Members 04-16, [REDACTED] must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code, the Arbitrator has made the following Rule 2080 affirmative findings of fact:

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 finding based on the following reasons:

The claim of unsuitability is false. [REDACTED] testimony at the hearing and the Statement of Claim clearly established that there is no basis for the claim. The evidence showed that [REDACTED] and another Merrill Lynch Investment Advisor exercised reasonable diligence, that the customers were growth oriented clients and that they refused to follow the more conservative guidance of both [REDACTED] and a second Investment Advisor.

3. Any and all claims for relief not specifically addressed herein are denied.
